

# **The United Nations Convention on the Rights of Persons with Disabilities**

**People with disabilities  
should be able to learn  
where all the other people  
are learning**

**Minsk City Institute  
for the Development of Education  
Republic of Belarus**

**Activities of management bodies  
and educational institutions of the  
capital to improve the educational  
environment for students  
with special needs**

The background of the slide is a warm, golden-yellow gradient. In the upper left corner, there is a decorative graphic featuring a glowing, translucent sphere with a bright light source inside, creating a lens flare effect. To the left of the sphere are stylized, overlapping leaves in shades of yellow and orange. The text is centered on the right side of the slide.
